The transition to the "Support" section should occur

4   Click on the "Contact Us" button

The transition to the "Contact Us" section should occur

---

The Home section   3

C12: Check the Download button

Type	Priority	Estimate	References
Regression	Medium	1 minute	None

Automation Type

None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

1   Click on the Download button

The page with additional information should open

6

C13: Check the "get started" button

Type	Priority	Estimate	References
Regression	High	1 minute	https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

Automation Type

None

### Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

1	Click on the "Get Started" button	A web page with medical help should open to download the app GoCorona but this one doesn't happen Bug report: ID-10001 https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

C14: Check the "Watch video" button

Type	Priority	Estimate	References
Regression	Medium	1 minute	None

Automation Type

None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

6

1	Click on the "Watch video" button	The page with the video should open
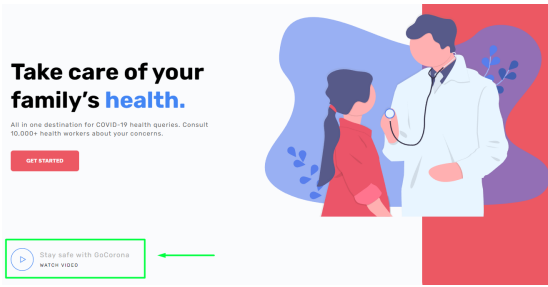

The "feature" section   1
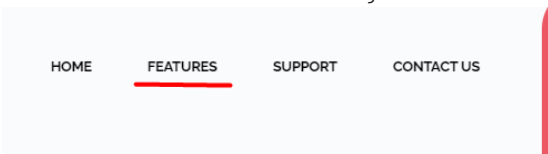

C15: Check the "Features" button

| Type	Priority	Estimate	References
Regression	High	1 minute	https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

Automation Type
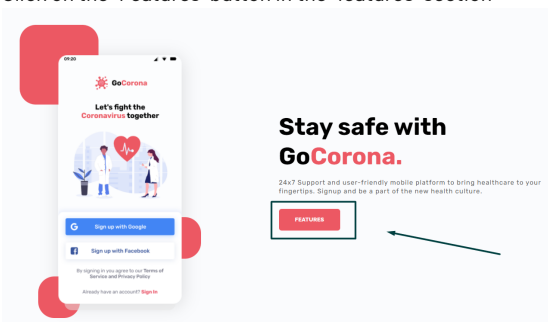

None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

1	Click on the "features" button in the navigation menu	The transition to the "features" section should occur

2	Click on the "Features" button in the "features" section	A web page with medical help should open to download the app GoCorona.

The "Features" button doesn't work. A web page for downloading the app GoCorona doesn't open

Bug report: ID-10002
https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

The Support section   2

6

## C16: Check the video playback

| **Type** | **Priority** | **Estimate** | **References** |
| Regression | Medium | 1 minute | None |

Automation Type
None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

| 1 | Click on the support button in the navigation menu | The transition to the support section should occur |

| 2 | Click on the video | The video should play |

C17: Check the "features" button

| **Type** | **Priority** | **Estimate** | **References** |
| Performance | High | 1 minute | https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf |

Automation Type
None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

6

1	Click on the "Features" button

A web page with medical help should open to download the app GoCorona.
The "Features" button doesn't work. A web page for downloading the app GoCorona doesn't open

Bug report: ID-10005
https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

The Contact Us section   2

C18: Check the "Google Play" button

Type	Priority	Estimate	References
Regression	High	1 minute	https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

Automation Type

None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

1	click on the "Contact Us" button in the navigation menu

The transition to the contact us section should occur

2	Click on the "Google Play" button

The Google Play market should open but this one doesn't happen

Bug report: ID-10003
https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-GoCorona/Bug%20report%20for%20GoCorona.pdf

C19: Check the "App Store" button

Type	Priority	Estimate	References	6
Regression	High	1 minute	https://github.com/DevArtOne/QA_Testing-GoCorona/blob/master/Testing-	

GoCorona/Bug%20report%20for%2
0GoCorona.pdf

Automation Type

None

Preconditions

Open https://devartone.github.io/CoronaSave/

Steps

| 1 | Click on the "App Store" button | The App Store market Should open but this one doesn't happen |
